Sir:

Applicants submit herewith a substitute Declaration for the above-identified patent application. Page 2 of the original Declaration submitted on November 10, 2000, incorrectly identified the United States Patent Application document for which benefit of priority was intended to be claimed under 35 U.S.C. Section 120. The number was *incorrectly* stated as 09/433,351. The *correct* application number is 09/433,531, as was correctly shown on page 1, line 8 of the application as filed. Applicants aver that this typographical error involved no deceptive intent.

Respectfully submitted,
